GENERAL
MANAGER

April recapture notes:

Easter is the Super Bowl for country clubs. With over 220 Members and Guests joining us this Easter, Chef Remco did it again. How does he do it? The eggs benedict is made fresh and restocked throughout the event. The lamb stew was incredible. The prime rib was cut a little thin as to help one save room for the pies and cake dessert table. Add great food with Joyce, Robin and Rise' flowing the table arrangements to get everyone fed in a timely manner add up to one great event. Easter is one of those days that define a great club and our 2023 version met that challenge. Thank you to all who joined us for this special day.

Easter Brunch was a success!

April brought us Club Championships with Joy & Gary defending their titles. Flight play created some close finishes as they competed in a Stableford Point Game. And we played one round at each course this year. Then the Citrus LGA hosted their annual Shootout where players needed to qualify over a season long points race. Survive and advance was the theme as the high scorer on each hole was eliminated and one player, Bonnie Demianczyk, was left standing after nine holes.

Tasker League winds down after another successful season. Great job again, all season to Steve and Rich for their fun and competitive Friday afternoon game at Citrus. Most of these players are seasonal but Josh and I are up to hosting a Friday points game if anyone is interested. Sign up in the Citrus Golf Shop and let's keep this fun Friday game going.

Kids Summer Golf Pass is Here!

Can you help us spread the word? We want to build a kids program. **Citrus National is offering a Summer Kids Pass that includes range, supervised instruction and limited golf play all summer.** Let's keep those kids 12 to 18 busy while they learn the game of a lifetime. Fliers and more details available in each clubhouse.

Summer hours have arrived as we lose our snowbirds and afternoon rains start chasing golfers away. Please note posted hours as they may change from time to time. **Sugarmill Woods Golf and Clubhouse will be closing on Mondays for the summer.** This will give our staff a chance to regroup and our back nine greens time to regenerate that Bermuda grass. **Citrus National**

The future of golf.

GM MESSAGE *continued...*

will say goodbye to **Friday Night Buffets**, although we may throw in a few specialty nights from time to time. Also note that the Sugarmill Woods Golf Shop will be scheduled 7am to 3pm each day. Members wishing to play may check in with Cart Staff for after-hours play.

I would like to take this opportunity to thank our entire staff for their efforts and hard work this season.

Change is not easy and combining lots of change with almost double the previous year's business, frankly, we had some tough days. It takes some really special people to keep pushing onward. Robin, Wendy, Chef Remco and James Jenkins all share employee of the year after this crazy season.

Feedback is always appreciated.

Our kitchens and food service need your support this summer. Let's keep our servers, bartenders and kitchen staff busy all summer. We are here for you so send us your ideas. Burger Nights, Taco Tuesdays, Wine down Wednesdays, value pricing or fancy are all great ideas.

What would you like to see on our menu? If we pick your dish, your first one is on us.

Send your ideas to syates@sugarmillwoodsgcc.com and win dinner on the house.

Happy Mother's Day!

Make sure you have your table reserved for the fabulous Mother's Day Buffet on Sunday, May 14th as this is always very popular.

Well, it feels as if summer has arrived. Just us hardy, year-round residents left to brave the heat and humidity. Plenty of cold air and cold libations will be available at the clubhouses to keep you cool and hydrated!

Check out your calendars as there is always something interesting going on. **Among the many notable dates in May**, the **5th is Cinco de Mayo**, a great excuse for one too many margaritas and tacos. **The 12th is National Limerick Day** when we remember Edward Lear, the man who made these short poems popular.

If Shakespeare had written a limerick possibly it may have gone like this:

*A member was playing the links.
Who's game quite honestly stinks.
With many balls in the rough,
He found the game really tough.
He should take up fishing me thinks!*

Of special note, **we are excited to host our first New Member Party on May 16th!** For all of you who have joined or re-joined since last July, this is an opportunity to meet our other new Members, as well as representatives from the Mens and Ladies Golf Associations and other groups you may have interest in joining.

WELCOME NEW MEMBERS

Membership is still on the rise so please help me welcome the following new members to our family:

Of course, the 29th is Memorial Day, and as we celebrate the unofficial start of summer, we also recognize all the heroes who made it possible to enjoy our peace and freedom.

Just a quick reminder that Father's Day is on Sunday 18th June. Be on the lookout for e-mails about our plans to celebrate the occasion.

Have a great May and if I can be of any help to you, please call me at **352-559-7106** or email me at **robin@sugarmillwoodsc.com**

New shop hours starting this month. May 1st starts our summer schedule with the golf shop and clubhouse closed on Mondays and golf shop hours turn into 7am to 3pm. Members are asked to check in with Cart Staff for after hours play.

Also starting May 1st is the closing of our back nine greens. James and his crew will be spoon feeding fertilizer, aerating and watering to bring back our Bermuda grass. The plan is to play the front nine twice for 18 hole scores. This could take 60 to 90 days so thank you all in advance for your patience.

MGA and LGA are invited to play Citrus any week as we focus on getting the back nine greens back in shape. Hits & Giggle games continue through May on the second and fourth Fridays of the month. If you haven't played, give it a try. It's a fun afternoon game that finishes in the air-conditioned clubhouse for optional drinks and dinner after play. Scott and Penny plan to join us too. Let's see what kind of game they have.

THE PRACTICE TEE

CITRUS NATIONAL GOLF SHOP

We are so excited to now offer the Summer Kids Pass. Our goal to attract young families starts with getting the kids.

The club will provide a safe and welcoming environment for kids 12 to 18 as they learn the game of a lifetime. Golf can be much more than winning major championships. We plan to teach kids etiquette, confidence, self-awareness, conflict resolution and basic fundamentals in a relaxed atmosphere. Then eat pizza!

Thanks to all who have been attending our golf clinics. This month will feature more short game clinics. Our superintendent, James Jenkins, has created quite the short game area back behind the clubhouse. Have you seen the 4 new tees he built? What a great way to hone in on those 20 to 50 yards shots into a real green.

Also, who is interested in keeping the Friday points game going this summer? Scott and I love the points format and even have a couple twists to keep it even more interesting. An 11am start, teams and closest to the pin prizes are all being considered. Sign up in the Citrus Golf Shop

and let's play Fridays.

This month's golf tip is about getting back to basics. Jack Nicklaus claims his instructor taught him grip, alignment and posture every spring after putting the clubs down each winter back in cold Columbus Ohio. **You may need a grip tune up that includes drills to make it feel comfortable.** Why do you come "over the top"? Maybe it's because your alignment is way right. Fix your aim and now the ball is too far forward and time to play your ball more in the middle of your stance. Why do I lift my arms on backswing instead of turning my body? Poor golf posture as people tend to move in a way that they stay in balance. Stand straight up then swing around your body. Try that and you may fall. Hips back and chin up gives one the best chance to turn and sweep ball off the ground. **Grip, Alignment and Posture, the foundation of a good swing may be what lowers your scores.**

TENNIS AND PICKLEBALL

OAK VILLAGE SPORTS COMPLEX

The Citrus Area Singles League and Citrus Area Doubles League ended in April. New players are always welcome for the coming season which begins play in October. **The women will continue to have drop-in tennis on Tuesday and Thursday mornings from 9-11 am.** We have a lot of snowbirds so attendance can be scarce in July and August. It will pick up again in September.

If you are interested in the leagues our CADL Co-Captains are Carla and Cory. Their email addresses are: carlachitwood@gmail.com and cory13fox@gmail.com.

For singles play our Co-Captains are Leslie and Marian. Their email addresses are: lesssherry42@hotmail.com and marianwood19@gmail.com.

The men enjoy social tennis three morning a week: Monday, Wednesday and Saturday, open to all players from 8 to 10 am. Many individual games are also set up throughout the week. No need to call ahead for the three-morning social play. Just show up and get some exercise!

Thanks to James Jenkins and his staff for making the Oak Village area look so nice!

Good afternoon fellow Picklers, hope you are enjoying this great weather. Last month I left you with "Zero-Zero-2" I bet you have been wondering what crazy speak that is. Well, that is how you start every Pickleball game. That is the score when you begin play, broken down first Zero is your team's score, second Zero is your opponent's score and 2 is the number of the serve.

So, this scoring thing in Pickleball is the most difficult to master. You will be playing points in no time but be assured the "score thing" will take a few weeks to really master. Here is a quick lesson:

At the start of the game your team only gets one serve to score points. As soon as you lose your serve the other side gets to serve. The rest of the game each team gets two serving opportunities.

TENNIS AND PICKLEBALL *continued*

That means in order to keep track of the server, each server gets a number, one or two. The server on the right side becomes server 1 and the server on the left side is server 2. So, when you call the score you give your score, your opponent's score and what server you are. Sounds easy right? The game ends when one team gets to 11 points and is ahead by 2.

It has been a fun month on the Pickleball courts. We have been playing just about every day from 8 am till everyone is too tired to continue. The crowds have been good and the play continues to be fun and competitive. Most days we have 4 or 5 courts going and a few waiting to get into the action. We also welcomed several new members to the courts. Seems like the interest in PB remains high.

We started an experimental cross club league last month and the response has been great. Teams from LaGrone Park, Pine Ridge, Sugarmill Woods and Rainbow Springs traveled to different locations and played team matches. The teams were made up of 2 men's teams, two women's teams and 3-4 mixed doubles teams. The format was playing best 2 out of 3 matches. Every team played the three matches regardless of the results and all the points were tallied to determine the match winner. It seems to be a huge success and we are hoping we can continue playing the League matches going forward.

Rumor has it we are going to be getting permanent pickleball courts in the Fall. Everyone is looking forward to this addition to our club. Big Thanks goes out to the management for getting us budgeted for the new courts.

One other thing before we sign off for the month. PB member Fred Sanders has been the focal for Wednesdays "Cornhole at the Mill". **Several of the PB players have been gathering at the Clubhouse on Wednesday afternoons and enjoying some adult beverages, cornhole and general socializing with the PB gang.** All indications are it has been a huge success and a great way to help support the restaurant and bar at our club.

Your Pickleball word for this month is "Dink" See you next month.

Guest Policy for pickleball and tennis. **All guests are to be introduced and charged a \$10 daily fee when joining a Member for Oak Village Activities.** We ask that all guests please check in at Fitness Room prior to play. Look for Krystle and Gregg to be monitoring this.

Remco van Asdonk

EXECUTIVE
CHEF

Hello Food Lovers.

Summer is almost here. Our Easter Brunch was a wonderful Buffet with delicious Prime Rib, Ham, Salmon and we brought the deviled eggs back! I would like to extend a big thank you to all the members who attended this event and brought their families and friends to join us here at the Sugarmill Woods Clubhouse. I look forward to seeing everyone for our Mother's Day Brunch.

We expect another sell-out so it's always a good idea to make your reservations early with Robin at robin@sugarmillwoodsgcc.com.

I am working on a new lunch & dinner menu for Sugarmill Woods. Expect to see both some new dishes along with a few of everyone's favorites dishes. Any special requests or feedback for the new menus, please let me know.

Mother; a verb and a noun, she mothers you, she babies you, someone who loves unconditionally, is always there to help and puts everyone before herself. Woman who always knew where your stuff is. Most special person in the world, a heart so pure and generous. See also: hero, super woman, best friend, confidante, keeper of your secrets, doer of all things.

It is a special day to celebrate her; let us do all the work while you spend special time with her.

Make reservations for our fabulous Mother's Day Brunch.

And because she is so wonderful, super special, **you don't have to wait for our Mother's Day Brunch to honor her. Bring her to lunch or dinner at our clubs to make every moment special.**

Moms, we appreciate you and we love you.

You can find me daily at Sugarmill Woods or **email jflorea@sugarmillwoodsgcc.com** to set up an appointment.

GOLF COURSE
SUPERINTENDENT

Hello Patrons,

The end of season is upon us, but for the Agronomy Department, the work is just beginning. **During this off season at Citrus we will be bringing back Hale Irwin's Masterpiece.** Some tees will be shut down to heal and some will receive much needed sod. We will also be roping off certain areas to heal the turfgrass and encourage growth. If you notice to the left of the number one tee box, we have turned some sand up and are in the process of shaping this area. The golf course originally had waste bunkers throughout the course and that is what it will become again. Next time you tee off look at the hole signage and you will see red areas; those are waste bunkers.

Starting May 1st, we will be shutting down the back 9 (Pine Course for the Summer) at Sugar.

as we will be completing some much-needed work on those Greens, getting them healthy. I know they look beat up and poor right now, which is the result of a lack of proper culture practices in the past. Once we get a good growing season on the Greens, with proper culture practices, they will be just fine.

Over at Oak Village, we are sweeping the Clay Courts now, rolling them a couple times a week and keeping the weed pressure down. This off season, we will be fertilizing the turf grass, working on irrigation and doing much needed tree work.

By the way, "My door is always open". Email is the best way to catch me so we can meet and discuss any questions, concerns or suggestions. My email: jjenkins@sugarmillwoodsgcc.com

COMMUNICATIONS & PUBLICITY
SUGARMILL WOODS
MEN'S GOLF ASSOCIATION

Sugarmill Woods continues to have outstanding weather - except we do need rain. Snowbirds are planning their migration to wherever. Wish everyone a safe trip and a good summer.

New MGA Member

The MGA Board and Committee Chairman would like to welcome Lou DiBerardino who joined our MGA in April.

MGA Telephone Directory & Operations Manual

By now everyone should have a copy of the telephone directory. Take a minute to look through it. Besides the MGA information (By-Laws, 2023 weekly games, telephone numbers, e-mail addresses etc.) there are advertisements of some excellent local businesses. These ads provide revenue that enables your MGA to give additional benefits during the year. If you use their services, let them know you saw their ad in the MGA Telephone Directory.

Acknowledging their ads will help us with solicitations in the future. A special thanks to Bill Williamson, Fund Raising Chairman for putting together another excellent book for 2023.

Important Note

From time to time e-mails are sent to all MGA members keeping you abreast of current information and activities of your MGA. These e-mails are sent from SMW MGA (smwmga@gmail.com). If you have not been receiving any e-mails, contact Bob Strausser #382-9982 or e-mail me at bobstrausser@hotmail.com.

LGA

Sylvia Taus

PRESIDENT, CITRUS NATIONAL
LADIES GOLF ASSOCIATION

By the time you read this report, this snowbird will be back in Canada – probably shovelling snow, lol. It's hard to believe that six months passed so quickly! It was a great golf season highlighted by several events in March and April.

Firstly, congratulations to Joy Figueredo who won the overall Ladies' Club Championship. The flight winners of the Stableford format were Candace Fishel, Chris Venable and Deb DeGrio. In preparation for the CC, we played a Stableford format on March 16 with Donna Hartwig winning flight 1, Terri Harris winning flight 2, and Suki Schattenberg winning flight 3.

On March 20, Citrus National Golf Club hosted the Rose Marie Coe Magnolia Invitational Tournament. Ninety-two women participated in a best-ball format; many positive comments were heard about the club's improved conditions.

Our final Match Play vs Par qualifier on March 30 cemented first place for Margot Check with her +3. Chris Mapes also was +3, second place at +2 were Betty Saltzman and Suki Schattenberg and third place was a tie at +1 for Joyce Drye, Peti Mlinek and Susan Ervasti. This set the scene for the Shootout – and what a day it was! All ten players with their caddies teed off on hole one with one participant eliminated after each hole. The last person standing was Bonnie Demianczyk! Bonnie prevailed over Suki Schattenberg on the ninth hole to take this year's title!

We begin week one of the President's Cup on April 13; the best two scores out of three will count. This is a gross and net tournament. Good luck!

Our season wraps up on May 4 with the Closing Field Day at which time the season-long results will be announced and the Executive for 2023/2024 will be sworn in:

President	Sylvia Taus
Vice-President	Laura Figueredo
Treasurer	Joyce Drye
Secretary	Caren Girard

The Summer League kicks off on May 11 with Susan Ervasti taking the lead. Participants will continue to sign up using Sign-Up Genius.

It is \$2.00 cash to play and Closest to the Pin (\$1.00) and Chip ins (.50) will be offered if enough people sign up each week. We will try to have 3-somes each week to help with the heat.

It is a lot of fun, so come on out and swing away.
